

Readers of any age can explore all things underground this summer as Arkansas' public libraries present "Dig Into Reading" during their summer library programs.

Activities may include programs on dinosaurs or construction vehicles, animals that live underground or Ancient Egypt, caves, rocks and more.

The 2013 Summer Reading Program is open to all ages, preschool through adult, with programs, prize drawings, story hours, a reading club, and more. Families are invited to join the Read-to-Me portion of the program.

Contact your local public library to register for "Dig Into Reading" and to see their schedule of events and activities.

To locate the library nearest you, visit our library map directory at <http://www.library.arkansas.gov/Pages/stateMap.aspx>
